VIKINGS VOLLEYBALL BOOSTER CLUB

3801 Briarcliff Rd NE Atlanta, GA 30345

August 12, 2008

Dear Business Owner,

DeKalb County Schools began interscholastic girl's volleyball in the Fall of 2001. For the first time in 25 years, competitive volleyball was back in DeKalb, providing an opportunity for female athletes to excel in a great sport. Since then Lakeside has established a tradition of volleyball excellence, in large part due to a committed coaching staff and the support and involvement of parents and the local business community.

On behalf of the girls, the booster club and myself, I would like to invite you to help sponsor the Lakeside Volleyball team. There are several ways you can help us:

Donate \$50 or more and your business card or company name will be printed on the Lakeside Volleyball Information Sheet.

Donate \$150 or more and your business name will be printed on a 2' x 2' banner that will hang in the gym throughout the entire year.

Donate \$250 or more to sponsor a team trophy (sportsmanship/determination/ team spirit, etc.). The award will be named for you or your business, and given to a player at our annual banquet.

All donors of \$100 or more will be featured on our website, www.lakesidevolleyball.com and we will provide a link to your company's website.

Please send all donations, and business cards to the following address:

Please make checks payable to **Lakeside Volleyball Booster's Club**. Include your company's web address if you would like us to post a link to your website, and a business card for the Information Sheet.

On behalf of the Lakeside Athletic Department and Girls Volleyball, I thank you for your support. We look forward to seeing you at our games (schedules available online).

Yours truly,
