**VIKINGS VOLLEYBALL BOOSTER CLUB**

Dear Business Owner,

DeKalb County Schools began interscholastic girls' volleyball in the fall of 2001. For the first time in 25 years, competitive volleyball was back in DeKalb County, providing an opportunity for female athletes to excel in an exciting team sport. Since 2001, Lakeside has established a tradition of volleyball excellence, in large part due to a committed coaching staff and the support and involvement of parents and the local business community.

On behalf of the girls, the booster club and myself, I would like to invite you to help sponsor the Lakeside Volleyball teams. There are several donation levels to choose from:

**Donate \$50-\$100** and your business will be featured on our LHS volleyball banner which hangs in the LHS gym for 1 year.

**Donate \$100-\$200** and we will feature your business on the home page of our website, [www.lakesidevolleyball.com](http://www.lakesidevolleyball.com), with your logo and link and also on our volleyball banner in gym.

**Donate \$200-\$300** to sponsor a team trophy (sportsmanship/determination/team spirit, etc.). The award will be named for you or your business, and given to a player at our annual banquet. Your business will also be featured on our website and on our volleyball banner in gym.

**Donate \$350** to sponsor our team practice shirts where your business will be featured on the back of the shirt. Varsity and Jr. Varsity teams wear these for practices, match play and in the community. We also print extra shirts for purchase by parents and volleyball supporters to wear throughout the year. Your business will also be featured on the volleyball banner and on our website.

Please make checks payable to Lakeside Volleyball Booster Club and mail, with your business card to:

On behalf of the Lakeside Athletic Department and Girls Volleyball, thank you for your support. We look forward to seeing you at our matches (schedule is on our website).

Yours truly,

Angela Thompson
