

# Lakeside Volleyball 2023

## Sponsor Packages

Lakeside High School, in the Dekalb County School District, educates over 2,200 students. Despite its large size, Lakeside is a close knit and strong community school. LHS student athletes are engaged, well rounded, upstanding members of their community, school and families. Lakeside student athletes have been not only awarded honors and accolades in sports, but in all academic areas as well. The Lakeside Volleyball program is no exception, and we are delighted to have such a wonderful group of talented, smart and athletic young ladies. These young women are only able to represent Lakeside due to the generosity of our sponsors. We look forward to the opportunity to represent and promote your business while we build a lasting relationship. Please take a moment to look at our sponsorship opportunities and choose the right one for your business. Thank you for your support!

Sponsorship Cost: **\$400**
